GENOCIDE

These demands are inspired by petition E-4940 brought to the House of Commons by NDP MP Heather McPherson in June, 2024, the International Court of Justice ruling of July 19, 2024, the revocation of the JNF's charitable status with the CRA, and the 94 CTA published by the TRC. Authorized by 16744711 Canada Inc.

PLEDGE TODAY

We have no choice but to **leverage our voting power** to hold all political parties accountable for their role in enabling genocide, both in Canada and abroad. The **demands we outline** reflect a commitment to justice, liberation, and reparations for Indigenous Peoples in so-called Canada and Palestinians. At election time, we'll vote for the party that demonstrates a genuine commitment to these demands.
